It is the mission of the Chargers SC to not turn away any player due to inability to pay; however, there is a very limited budget to do so. An application for scholarship assistance for Rec Registration Fees is a certification that the above player will not be able to participate in the program without scholarship assistance due to severe family financial situations **and** that an Extended Payment Plan alone is not doable. Please note: All applications will be reviewed by the Chargers SC Board in strict confidence. Applicants will be notified in a timely manner of the board's decision. Please remember turning in an application does not guarantee approval of a partial or full scholarship. Status will be determined and communicated ASAP. **NOTE: Most scholarship grants awarded are partial grants.**

As a non-profit youth soccer club, volunteerism is one of the keys to the success of our club. Applicants that are approved will be asked to volunteer in one or several areas listed below. Please indicate what areas you would like to volunteer in and the Board will try to accommodate your request. (List in order of preference 1-4 with 1 being the 1st choice and 4 being the last choice.) If your scholarship application is approved in one form or another and you do not fulfill your volunteer responsibility, the scholarship will be rescinded (and the player will not be able to play) until your volunteer service is fulfilled. If you are unable to regularly volunteer, please provide that information in writing with this application.
