

For teams attending this tournament with US Club Soccer Passes:

If you also have FYSA passes and a Got Soccer account with your US Club Soccer players listed, then from your Got Soccer Team Account, from team account Overview page, click on the event. In the Team tab, it lists the Application info and it is always set to default (which is FYSA). Click the drop down arrow and select US Club as your default passes for this tournament.

Go back to Roster and the numbers are changed to the US Club numbers.

If you **don't also have FYSA passes** and you created a Got Soccer account to apply to our tournament, all you need to do is click on the Roster tab and choose the "2015 Tampa Bay

Labor Day Showcase" tournament for the View By Event field, and then "register New Player" button to add each player. All players need to be listed with their date of birth & US Club ID # (or other State Association pass number if your state doesn't use Got Soccer their registration tool), and that information must match you US Club Soccer roster or state official roster that you will be checking in with.
